Mend the Shoe

Ahmed is in his bedroom. His friends are with him. Ahmed says, "please, help me tidy up my bedroom." Butterfly is wiping the table. Owl is picking up toys from the floor. Ahmed is pulling off the bedsheet. Ahmed's right shoe comes off. He says, "buckle is broken. Who will help me to fix my shoe?" Butterfly says, "we will help to fix your shoe." Ahmed says, "bring the toolbox. It is under the shelf."

Zebra puts the toolbox on the table. Ahmed looks for a dark black hammer. Zebra hands him one. Ahmed says, "It is light black. We need the dark black one." Ahmed finds the hammer. Ahmed asks, "I will hold the buckle. Who will hammer it?" Zebra says, "I will." Kitten says, "I will." They all want to hammer. Ahmed says, "You all hold the shoe. I will hammer." Ahmed hammers the buckle. The shoe is fixed.
