Handwriting practice section for the Urdu letter 'گ'. It consists of ten rows of four-line grids. Each row contains a series of 'گ' characters. The first row has eight 'گ' characters, with the last one being solid black and the others light gray. The second row has eight 'گ' characters, with the last one being solid black and the others light gray. The third row has eight 'گ' characters, with the last one being solid black and the others light gray. The fourth row has seven 'گ' characters, with the last one being solid black and the others light gray. The fifth row has six 'گ' characters, with the last one being solid black and the others light gray. The sixth row has five 'گ' characters, with the last one being solid black and the others light gray. The seventh row has four 'گ' characters, with the last one being solid black and the others light gray. The eighth row has three 'گ' characters, with the last one being solid black and the others light gray. The ninth row has two 'گ' characters, with the last one being solid black and the other light gray. The tenth row has one 'گ' character, which is solid black. The remaining four rows are empty grids for independent practice.
